**Removal from Self-Exclusion List**

*G. Removal from Self-Exclusion List*

1. Any self-excluded person may, upon the expiration of five years from the date of exclusion, submit a written request to the board for a hearing to have his or her name removed from the self-exclusion list. Such request shall be in writing and state with specificity the reason for the request.

2. The request shall include a written recommendation from a qualified mental health professional as to the self-excluded person's capacity to participate in gaming activities without adverse risks or consequences. The person seeking removal from the self-exclusion list may be required to obtain a separate and independent recommendation from a qualified mental health professional, approved by the hearing officer, as to the self-excluded person's capacity to participate in gaming activities without adverse risks or consequences.

3. If the hearing officer determines that there is no longer a basis for the person seeking removal to be maintained on the self-exclusion list, the person's name shall be removed from the self-exclusion list and his or her exclusion shall be terminated. The division shall notify the casino operator or casino manager and all casino gaming licensees of the determination. The casino operator, casino Manger or any casino gaming licensee may continue to deny gaming privileges to persons who have been removed from the list.
