# DECISION OF THE LOUISIANA GAMING CONTROL BOARD

**HOUMA TRIANGLE, INC. D/B/A ABYSS  
NO. VP5500109784A**

### **RULING ON MOTION FOR REHEARING**

The matter before the Louisiana Gaming Control Board ("Board") is the "Motion for Rehearing and Reconsideration of Agency Action" filed by Houma Triangle, Inc. d/b/a Abyss regarding the decision of the Board signed on September 16, 2003, affirming the Hearing Officer's decision ordering revocation of its video gaming license.

Louisiana Revised Statute 49:959(A) provides for a rehearing when:

- (1) The decision or order is clearly contrary to the law and the evidence;
- (2) The party has discovered since the hearing evidence important to the issues which he could not have with due diligence obtained before or during the hearing;
- (3) There is a showing that issues not previously considered ought to be examined in order properly to dispose of the matter; or
- (4) There is other good ground for further consideration of the issues and the evidence in the public interest.

Petitioners have not asserted any grounds that warrant rehearing. The record overwhelmingly establishes numerous violations which placed the ATC license of the Abyss at risk. It also establishes on the part of the Abyss a pattern of withholding information from the Division. Accordingly, this

Board's affirmation of the Hearing Officer's decision is correct.

## ORDER
