I'm Assistant 23 Attorney General Benjamin Westra, here 24 today in the matter of the settlement 25 agreement involving Royal Palace
1Investments, LLC doing business as Palace2Truck Stop and Casino, who currently holds3a Type 5 video draw gaming license.4A brief summary of how we got here.5This matter was initially presented to the6Board during its March meeting as a motion7for re-hearing or re-consideration8considering the Board's revocation of the9licensees gaming licence. This revocation10was due to the licensees failure to timely11request a hearing regarding the late12submission of their annual forms and13fees.14At that meeting, the Board15considered the licensees request, granted16the re-hearing and forwarded the matter to17the Administrative Hearing Office.18After the Division received the19licensees required forms and fees, it20entered into this settlement agreement.21The settlement agreement addresses the22late submission of the annual forms and23fees that are required to be submitted to24the Division no later than July 1st of25each year.	1The licensee did not submit their22024 annual forms and fees until March 26,32025, which gave rise to a violation of4gaming law. The civil penalty contained5in this settlement is \$4,000.6It has been signed by the Hearing7Officer and is now before the Board for8final approval.9I'd be happy to answer any10questions.11CHAIRMAN HEBERT:12Board Members, any questions for Mr.13Westra?14If not, I will entertain a motion to15approve the settlement.16So moved by Ms. Traylor; seconded by17Ms. Becnel.18All in favor, say I.19(All said I.)20Any oppositions?21Hearing none, that motion carries,22and the settlement is approved.23Thank you, Mr. Westra.24Okay.
