ADVISORY

2026 WINTER OLYMPICS

The Louisiana Gaming Control Board is issuing this advisory to inform Louisiana licensed and permitted sports wagering operators of the updates to the Louisiana Sports Wagering Catalog regarding the 2026 Winter Olympics.

- Any event governed by the International Olympic Committee (IOC) is approved for the 2026 Winter Olympics only. Trials are not approved. If you would like to submit a request for a particular event, one can be submitted. As to the total medals, if an event is prohibited, there can be no wagering on that event.
- Wagering on Russian or Belarusian teams or athletes cannot be offered, even if they are competing as neutral athletes.
- The majority of participants in any team event offered must be over 18 years old. Proposition bets on athletes under 18 years old are not permitted. Wagers on individual events that have athletes under 18 years old are not permitted.

Sports Wagering Operators shall use best efforts to comply with the intent of this notification.

Signed this 14th day of January 2026.

Sincerely,

LOUISIANA GAMING CONTROL BOARD
