Casino Gaming Payment Interception (LAC 42:III.2737)

The Louisiana Gaming Control Board, pursuant to R.S. 27:15 and R.S. 27:24, has amended LAC 42:III.2737.

Title 42

LOUISIANA GAMING

Part III. Gaming Control Board

Chapter 27. Accounting Regulations

§2737. Casino Gaming Payment Interception

A. The Department of Children and Family Services (DCFS) shall provide real-time or immediate electronic access to a database containing current information for persons having child support arrearages or overpayments. This access shall be available to the entities licensed or permitted under chapters 1, 4, 5, or 7 of title 27 of the *Revised Statutes*.

1. Upon the availability of a single-point inquiry system, which allows for searches of one or more real-time databases containing debt information to entities licensed or permitted under chapters 1, 4, 5, or 7 of title 27 of the *Revised Statutes* the requirements of this Section will apply to that system. Debts owed to DCFS maintain priority over debts from this system in accordance with R.S. 47:1676(D)(4)(d).

B.1. Prior to issuing payment of winnings (either cash or a second or later progressive slot machine annuity payment) in an amount requiring the filing of a W-2G or substantially equivalent form, the payor shall access the DCFS database and/or any other system implemented in accordance with Subsection A of this Section to determine if the winning patron is recorded as owing overdue child support or receiving child support overpayments, or owing other debts to the state.

2. If the patron is recorded as owing a debt in the system(s), the payor may deduct up to \$35 as an administrative fee and shall then intercept the amount noted from the patron's winnings. Any amount remaining following the deduction of the administrative fee, intercept amount, and any other deductions required by law shall then be paid to the winning patron.

3. If the winning patron's information is not recorded in the database, a licensee shall maintain a record of the negative search results for each payment made to a cash prize winner by attaching a print out of the negative results, or similar "No Record Found" page generated by the database to the jackpot payout slip. A generated log of all searches made may be printed and maintained in the licensee's accounting records in lieu of attaching the negative results record to each jackpot payout slip.

4. If the winning patron's information is not recorded in the database(s), a permittee who issues a second or later progressive slot annuity payment shall maintain a copy of the negative results or other "No Record Found" page generated by the database for each payment made to a progressive slot jackpot annuitant.

C.1. Intercepted amounts shall be forwarded to DCFS within seven business days in accordance with R.S. 27:24(A)(5)(c) and shall include a record of the identifying information for the individual from whom the payment was intercepted and the amount intercepted from each individual. Alternatively, if the payment is owed to another agency, the payment shall be made in accordance with that agency's directive.

2. Licensees may aggregate multiple interception amounts for transfer to DCFS or another agency, provided they include a simultaneous record of the identifying information for the individuals from whom the payments were intercepted and the amount intercepted from each individual.

D.1. ...

a. the amount of the administrative fee charged for processing interceptions;

b. either a list of employees authorized to access the database(s) or an authorization noted in an authorized employee's job description;

c. procedures designed to prevent employees from willfully failing to withhold intercept payments identified in one or more state systems providing access to the casino;

d. procedures for restricting access to any DCFS or other state database to authorized employees in such a manner that identifies the employee accessing the database;

e. ...

f. procedures for accessing and searching the database;

g. procedures for preserving the confidentiality of the information retrieved from the database;

h. ...

i. procedures for preventing patrons with outstanding child support arrearages, overpayments, or other system identified debts, from transferring or assigning their jackpots to another patron;

j. ...

k. procedures for notifying patrons subject to interception of the withholding by providing them with a receipt stating the reason for the interception, the amount withheld, and contact numbers for the intercepting agency;

l. ...

m. procedures for attaching the documentation required by Subsection F of this Section to the jackpot slip in the event the database is inaccessible;

n. procedures for the timely forwarding intercepted payments to the appropriate agency; and

o. procedures to ensure payments to DCFS are the primary payments and ensuring intercepted funds are forwarded to the appropriate agency.

E. Any licensee or permittee who issues a second or later progressive slot machine annuity payment shall include in its internal controls, the procedures required in this Section for jackpot intercepts.

F. Any licensee or permittee searching the database or withholding money in accordance with R.S. 27:24(A), R.S. 47:1676(D)(4), and this Section, shall submit a monthly report to the division by the twentieth day of the month detailing the total number of searches of the databases, the number of matches found, the amount of jackpot winnings withheld, the amount of administrative fees retained for the

preceding month, and a breakdown of the amount withheld for each database.

G.1. In the event the database is off-line when a search is made, a licensee shall not be responsible for intercepting cash winnings provided it prints a copy of the screen notification that the system is inaccessible, records the name and prize amount for the winning patron, and timely notifies the appropriate database contact for each database down, of the error to ensure the technical difficulty is not with the licensee. The unavailability of the database shall not affect interception requirements for second or later progressive slot machine annuity payments.

2. Licensees may notify the appropriate database operator that the database is either off-line or experiencing other technical difficulties by electronic mail sent to an address provided by the appropriate database operator.

However an employee serving in a supervisory position may handle, transport and temporarily possess a tip on behalf of an eligible employee in accordance with the licensee's internal controls.

C. ...

D. All tips and gratuities given to dealers at table games, including poker dealers, shall be handled as described in the licensee's internal controls. Those controls should use one of the following methods.

1. Pooling of tips:

a. immediately deposited in a transparent locked box reserved for that purpose. If non-value chips are received at a roulette table, the marker button indicating their specific value shall not be removed from the slot or receptacle attached to the outer rim of the roulette wheel until after a dealer in the presence of a supervisor has converted the non-value chips into value chips. Procedures for accepting non-value chips received as tips shall be defined in the internal controls;

b. counted and recorded by a randomly selected dealer and a randomly selected employee who is independent of the tips being counted; and

c. placed in a pool for pro rata distribution among the dealers on a basis that coincides with the normal pay period. Tips or gratuities from this pool shall be deposited into the licensee's or casino operator's payroll account. Distributions to dealers from this pool shall be made in accordance with the payroll accounting practices and shall be subject to all applicable state and federal withholding taxes.

2. A licensee or casino operator may elect to handle tips generated by dealers separately from the pro rata distribution pool. Tips or gratuities may be assigned to the dealer generating the tip or gratuity, and the following procedures shall be used.

a. Each dealer shall have a locked transparent box marked with his name or otherwise coded for identification. Keys to these boxes shall be maintained by the cage department. When not in use, these boxes shall be stored in a locked storage cabinet or other approved lockable storage in the poker room. Keys to the storage cabinet shall be maintained and used as specified in the internal controls.

b. When a dealer arrives at his assigned table, the dealer shall obtain his marked transparent locked box. The box shall be placed at the table. If the dealer leaves the table, the dealer's marked box shall be removed from the table by the dealer and secured.

c. At the end of the dealer's shift, the dealer shall take that dealer's marked transparent locked box to the cage for counting. The cage employee shall unlock, empty, and relock the box. The cage employee shall count the contents of the box in the presence of the dealer. The amount shall be recorded on a three-part voucher and signed by the cage employee and the dealer. The three parts of the voucher shall be distributed as follows:

- i. one part shall be given to the dealer;
- ii. one part shall be maintained by the cage; and
- iii. one part shall be forwarded to the payroll department.

d. Tips or gratuities shall be deposited into the licensee's or casino operator's payroll account. Distribution to the dealer shall be made in accordance with the payroll accounting practices and shall be subject to all applicable state and federal withholding taxes and regulations. No distributions shall be made to the dealer in any other manner.

e. A poker room dealer may tip any cashier working as the poker room cashier during the poker room dealer's shift. Any such tip shall be handled when the poker room dealer's tips are counted as defined in this Section. A section of the dealer's tip voucher shall be marked to allow the dealer to indicate which cashier(s) the dealer wishes to tip and the amount. The tip shall be deducted from the dealer's total tips at the time of the count. Tips given to a cashier in this manner shall be distributed to the cashier in accordance

with the payroll accounting practices and shall be subject to all applicable state and federal withholding taxes and regulations. No tips from a poker room dealer shall be made to a cashier in any other manner.

E. Upon receipt from a patron of a tip or gratuity, a dealer assigned to the gaming table shall extend his arm in an overt motion and deposit such tip or gratuity in the transparent locked box reserved for such purpose.

F. All tips received by employees not covered in Subsection D of this Section shall be deposited into the licensee's or casino operator's payroll account and distributed to employees in accordance with the internal controls. Distributions to employees from this pool shall be made following the payroll accounting practices and shall be subject to all applicable state and federal withholding taxes.
