

**STAFF REPORT ON RIVERBOAT CASINO LICENSEES' COMPLIANCE
WITH VOLUNTARY EMPLOYMENT
AND PROCUREMENT CONDITIONS
3RD QUARTER 2008**

Prepared for the November 18, 2008 Board Meeting

This report illustrates riverboat gaming licensees' compliance with the voluntary employment and procurement goals which were proposed in their respective applications. The individual applicants for riverboat licenses made specific commitments in their Economic Development and Utilization Plans which were submitted in conjunction with their applications. The plans included the employment of Louisiana residents, minorities, and women. Also included were goals for the procurement of contracts from Louisiana, minority, and women-owned businesses.

Applicants competing for riverboat licenses not only made various economic development commitments, but they also volunteered specific employment and procurement goals in order to satisfy the diversity provisions under the **Louisiana Riverboat Economic Development and Gaming Control Act, La. R.S. 27:41, et seq.** When the applicants were awarded licenses to conduct gaming in this state, these goals became conditions of their licenses. The pertinent provisions and rule(s) are provided as follows for your review.

La. R.S. 27:42(A)(1) states:

The legislature hereby finds and declares to be the public policy of this state that the development of **a historic riverboat industry is important to the economy of the state of Louisiana in that it will assist in the continuing growth of the tourism industry and thus will benefit the general welfare of our citizens and create new jobs.** [Emphasis added].

La. R.S. 27:52(2)(g) states:

That **preferential treatment is given to Louisiana firms to the extent allowed by law in the procurement of all resources and goods used in the operation of a riverboat come from Louisiana and that a preferential treatment to the extent allowable by law in the awarding of contracts for services and entertainment is given to Louisiana firms and residents.** [Emphasis added].

La. R.S. 27:70(7) states in pertinent part as follows:

(a) **The applicant must have a good faith plan to recruit, train, and upgrade minorities in all employment classifications.**

(b) **It shall be required by the owners, to provide the maximum practical opportunities, for participation by the broadest number of minority-owned businesses....**

- (c) **The legislature hereby further directs that the written policies, procedures and regulations shall provide for the inclusion of businesses owned by minorities to the maximum extent practicable. [Emphasis added].**

LAC 42:III.110 states as follows:

- A. Commencing with the issuance of any riverboat gaming operator license, the licensee shall submit on a quarterly basis to the board a statement of compliance with the applicant or licensee's previously submitted application or economic development plan as to those aspects of the plan which are then underway.**
- B. The license will certify quarterly under oath that a good faith effort to meet the voluntary procurement and employment conditions is being made, and shall quarterly demonstrate to the board that an effort was made to meet the conditions. The quarterly statement shall be forwarded to the board by certified mail no later than 20 days after the end of each quarter.**

The Riverboat Act provides for fifteen riverboat casinos to operate in the state of Louisiana. During 3rd quarter of 2008, thirteen riverboat casinos were operating and thirteen complied with the reporting requirement.

This report is taken from figures reported by thirteen reporting riverboats to the Louisiana Gaming Control Board for the 3rd calendar quarter of 2008. Approximately 13,723 people were employed by the riverboat industry for the 3rd calendar quarter of 2008. Of that number, 13,184 were Louisiana residents, 8,435 were minorities and 7,859 were women.

In instances where employment or procurement figures were not specifically set forth in the application, and census figures were relied upon to state the proposed goals, 1990 census figures have been supplied to illustrate that licensee's level of compliance.
